TITLE 7—AGRICULTURE

Chapter III—Bureau of Entomology and Plant Quarantine

[B. E. P. Q.—Q. 52, Amdt. 1]

PART 301—DOMESTIC QUARANTINE NOTICES MODIFICATION OF PINK BOLLWORM QUARANTINE REGULATIONS

Introductory note. This revision of Regulation 2 of the pink bollworm quarantine regulations is made to add to the lightly infested regulated area the Texas counties of Bailey, Borden, Cochran, Coleman, Goliad, McCulloch, Nolan, Runnels, San Saba, Scurry, Taylor, Victoria, and those parts of Coke and Jackson Counties not heretofore under regulation, because of the discovery of additional infestations of the pink bollworm. Although no pink bollworms were found in Borden County, it is necessary to include it because there are no gins in the county and practically all ginning is done at plants located in the infested area. No other modifications are made in the regulations by this revision.

Pursuant to the authority conferred upon the Secretary of Agriculture by law, § 301.52-2 of this chapter, as revised effective November 9, 1944 (9 F.R. 13276), is hereby amended to read as follows:

§ 301.52-2 *Regulated areas.* The following areas are hereby designated as regulated areas within the meaning of this subpart and are further classed as heavily or lightly infested.

Heavily infested areas: Texas. Counties of Brewster, Cameron, Culberson, Jeff Davis, Hidalgo, Hudspeth, Presidio, Starr, Terrell, Willacy, and that part of El Paso County lying east of an imaginary line extending due north from the Texas-Mexico boundary to the point near U. S. Highway 80, where secs. 4, 5, 8, and 9, T. 29 S., R. 4 E. have a common corner; thence due north to the Texas-New Mexico boundary.

Lightly infested areas: Arizona. Counties of Cochise, Graham, Greenlee, Maricopa, Pinal, and Santa Cruz, and all of Pima

County¹ except that part lying west of the western boundary line of range 8 east.

Louisiana. The entire parishes of Cameron and Calcasieu and that part of Jefferson Davis Parish lying south of the township line between Tps. 8 and 9 S.

New Mexico. Counties of Chaves, Dona Ana, Eddy, Grant, Hidalgo, Lea, Luna, Otero, Sierra, Socorro, and Valencia.

Texas. Counties of Andrews, Aransas, Atascosa, Bailey, Bee, Borden, Brazoria, Brooks, Caldwell, Calhoun, Cochran, Coke, Coleman, Concho, Crane, Dawson, Dimmit, Duval, Ector, Frio, Gaines, Glasscock, Goliad, Gonzales, Guadalupe, Hays, Howard, Irion, Jackson, Jim Hogg, Jim Wells, Karnes, Kennedy, Kleberg, La Salle, Live Oak, Loving, Martin, Matagorda, Maverick, McCulloch, McMullen, Midland, Mitchell, Nolan, Nueces, Pecos, Reeves, Refugio, Runnels, San Patricio, San Saba, Schleicher, Scurry, Sterling, Taylor, Terry, Tom Green, Upton, Victoria, Ward, Webb, Wilson, Winkler, Yoakum, Zapata, and Zavala; and that part of El Paso County lying west of an imaginary line extending due north from the Texas-Mexico boundary to the point near U. S. Highway 80 where secs. 4, 5, 8, and 9, T. 29 S., R. 4 E. have a common corner; thence due north to the Texas-New Mexico boundary.

This amendment shall be effective on and after May 23, 1945, and shall, on that date, supersede § 301.52-2 of the revised regulations promulgated on November 7, 1944.

Done at the City of Washington this 21st day of May, 1945.

Witness my hand and the seal of the United States Department of Agriculture.

(Sec. 8 of the Plant Quarantine Act of Aug. 20, 1912, as amended, 37 Stat. 313, 39 Stat. 1165, 44 Stat. 250; 7 U.S.C. 161)

Chapter I—Bureau of Customs

[T. D. 51235]

PART 4—VESSELS IN FOREIGN AND DOMESTIC TRADES

WAIVER OF COASTWISE LAWS

MAY 21, 1945.

Coastwise laws waived to extent necessary to permit Canadian vessels to transport passengers between points in Alaska, and to transport merchandise between points in Canada and Skagway, Alaska, as a portion of the transportation of that merchandise between points on the Pacific Coast of the continental United States and Skagway.

Upon the written recommendation of the Administrator of the War Shipping Administration and pursuant to the authority vested in me by the provisions of section 501 of the Second War Powers Act, 1942 (50 U.S.C. Sup. App. 635), as extended by the act of December 20, 1944 (Public Law 509, 78th Congress), I hereby waive compliance with the provisions of section 8 of the act of June 19, 1886, as amended (46 U.S.C. 289), and section 27 of the Merchant Marine Act, 1920, as amended (46 U.S.C. 833), to the extent necessary to permit the transportation of passengers on Canadian vessels between points in Alaska, and to permit the transportation of merchandise on Canadian vessels between points in Canada and Skagway, Alaska, as a portion of the transportation of that merchandise between points on the Pacific Coast of the continental United States and Skagway, Alaska.

This order shall be effective only during the period between June 1, 1945, and July 31, 1945, inclusive. I deem that such action is necessary in the conduct of the war.

If the transportation of any passenger or any merchandise on a Canadian vessel is not completed on or before midnight on July 31, 1945, this order will not relieve the vessel or merchandise concerned from the penalties prescribed by section 8 of the Act of June 19, 1886, as amended (46 U.S.C. 289), or section 27 of the Merchant Marine Act, 1920, as amended (46 U.S.C. 883).

Whereas, the Committee included three disinterested persons representing the public, a like number representing employers in the cigar and cigarette industry in Puerto Rico, and a like number representing employees in the industry, and was composed of residents of Puerto Rico and residents of the United States outside of Puerto Rico; and

Murtha, the Presiding Officer designated by the Administrator, at which all interested persons were given an opportunity to be heard; and

Whereas, the Administrator, upon reviewing all the evidence adduced in this proceeding and after giving consideration to the provisions of the act with spe-

cial reference to sections 5 and 8, has concluded that the recommendation of the Committee for a minimum wage rate in the cigar and cigarette industry, as defined, is made in accordance with law, is supported by the evidence adduced at the hearing, and taking into consideration the same factors as are required to be considered by the Committee, will carry out the purposes of sections 5 and 8 of the act; and

Whereas, the Administrator has set forth his decision in an opinion entitled "Findings and Opinion of the Administrator in the Matter of the Recommendation of Special Industry Committee No. 3 for Puerto Rico for a Minimum Wage Rate in the Cigar and Cigarette Industry in Puerto Rico," dated this day, a copy of which may be had upon request addressed to the Wage and Hour Division, United States Department of Labor, 165 West 46th Street, New York 19, New York; now, therefore, it is ordered that:

PART 1029—FARM MACHINERY

[Preference Rating Order P-153 as Amended
May 22, 1945]

RATING FOR DISTRIBUTORS OF FARM MACHINERY PARTS

§ 1029.36 *Preference Rating Order P-153*—(a) *What this order does*. This order tells how "distributors" can get a priority to buy certain parts for "farm machinery and equipment" from a manufacturer of the parts for resale to farmers or dealers. A "producer" of farm machinery and equipment under Orders L-257 and L-257-c has a priority for these parts (either as production material for complete implements, or for resale as repair parts to round out his line) under CMP regulations. This order gives a similar priority to distributors who custom-

arily buy these parts direct from the same sources of supply for resale only, and who get a serial number as explained below.

(b) *What parts are covered*. This order covers only items and components to be used on "farm machinery and equipment", excluding parts manufactured by "producers" of farm machinery and equipment, and also excluding automotive replacement parts and nuts, bolts, screws, rivets, and washers.

(c) *Assignment of priority rating*. (1) Any "distributor" who gets a serial number under paragraph (d) below, may use a priority rating of AA-2 to get "parts" to be resold to farmers (or to dealers who supply farmers). This rating may be used to get these parts only from the manufacturer of the parts. It cannot be used to get any parts made by producers under Orders L-257 and L-257-c, nor to get any other items for which priority ratings are not permitted to be used under other WPB orders or regulations.

(2) Subject to the above conditions, the rating may be used instead of applying for one on Form WPB-547, and may be applied and extended in the manner described in Priorities Regulation 3. The distributor's serial number must be included in the certification required by that regulation.

(d) *How to get a serial number*. Any person may apply to the War Production Board for a serial number under this order. In general, a serial number will be given only to a person at least 50% of whose total business is acting as a "distributor", as defined below, or who is a major factor in this field of distribution. This application may be made by filing a letter in triplicate addressed to War Production Board, Wholesale and Retail Trade Division, Washington 25, D. C., Ref: P-153, and should be filed before July 1, 1945, giving the following information:

(1) The nature of the distributor's business (for example: wholesale hardware, farm supply jobber, farm machinery distributor, etc.);

(2) The amount of his total sales of all products in 1941;

(3) The total estimated amount of his 1941 sales to farmers (either directly or through dealers) of parts and other farm items;

(4) Any other pertinent facts, such as the total amount under (3) purchased direct from manufacturers of the items, if known.

If exact figures cannot be furnished, the distributor should give his best estimates and an explanation of the basis for his estimates.

(e) *Penalty for violations*. Any person who wilfully violates any provision of this order, or who, in connection with this order, wilfully conceals a material fact or furnishes false information to any department or agency of the United States, is guilty of a crime and upon conviction may be punished by fine or im-

prisonment. In addition, any such person may be prohibited from making or obtaining further deliveries of, or from processing or using, material under priority control and may be deprived of priorities assistance.

(f) *What is meant by "distributor"*. As used in this order, "distributor" means any person who engages in the business of buying parts covered by this order and other farm items direct from the manufacturers, and reselling them to farmers or to dealers who supply farmers.

(g) *What is meant by "farm machinery and equipment"*. "Farm machinery and equipment" means agricultural machinery, mechanical equipment and implements of the types ordinarily manufactured for farm use and listed on Appendix I of Order L-257-c. The term includes attachments. It does not include track-laying type tractors, mechanically refrigerated milk coolers, fencing, poultry netting and wire, wire fencing, bale ties or straps, oil well casing and water pipe, grain bins and corn cribs, hog or poultry houses and similar buildings, water storage tanks, nails (all kinds), and sundry hardware (including hand tools, chain, barn door track, pulleys, scales and similar items not described in Appendix I. "Farm use" means use for the production or care of crops, livestock, livestock products, bees or poultry on a farm (or elsewhere in the case of poultry).

(h) *What is meant by "producer"*. "Producer" means any person engaged in the manufacture of farm machinery and equipment. However, the term does not include any person engaged in the manufacture (for sale to a producer) of materials, parts, assemblies or subassemblies to be physically incorporated into farm machinery and equipment or repair parts manufactured by that producer, or to be resold by that producer as repair parts.

(i) *Appeals*. Any appeal from the provisions of this order, or from the denial of an application for a serial number under this order, shall be made by filing a letter in triplicate addressed to the War Production Board, Wholesale and Retail Trade Division, Washington 25, D. C., Ref: P-153. The procedure governing appeals is explained in Priorities Regulation 16.

NOTE: Paragraph (j) formerly paragraph (i), redesignated May 22, 1945.

(j) *Communications*. All communications concerning this order should be addressed to War Production Board, Wholesale and Retail Trade Division, Washington 25, D. C., Ref: P-153.

Issued this 22d day of May 1945.

PART 3281—PULP AND PAPER

[General Preference Order M-93, Direction 1, as Amended May 22, 1945]

PREFERRED STATUS OF CERTAIN DELIVERIES AND USES OF WOOD PULP

The following amended direction is issued pursuant to General Preference Order M-93:

(a) *Reasons for this direction.* A producer's output of wood pulp is allocated by the War Production Board for his own uses and for delivery to other consumers on the basis of the amount which he reports to the War Production Board as his estimated output. If he over-estimates his production, it is necessary and appropriate in the public interest and to promote the national defense to assure that this does not result in cutting off wood pulp from the consumers to whom it was allocated and who have no other source of supply for the continuance of their minimum operations, and to assure that any necessary reductions are made in those grades of paper and paperboard not listed in paragraph (d) below.

(b) *Producers.* If a producer is unable during any calendar quarter to make all deliveries which he has been directed on Form WPB-699 and by telegram and letter to make, he shall reduce his deliveries to consumers with whom he is affiliated to the extent necessary to complete all deliveries to other consumers.

(c) *Consumers.* No consumer may, during any calendar quarter, use any wood pulp in the production of grades of paper and paperboard, other than those listed in paragraph (d) below, unless his total consumption of wood pulp, during that quarter, for the production of the listed grades is equal to the amount of wood pulp which he has been authorized on Form WPB-2973 and by telegram and letter to use for that purpose.

(d) *Grades of paper and paperboard having preferred production status:*

All items in Subschedule F-1, all grades of container board (211000 through 219000)

(e) *Required adjustments on company-wide basis in certain cases.* (1) *Definition.* For the purposes of this paragraph (e) "company" means a group of two or more separately located producers or consumers who are under common ownership or control or are otherwise affiliated with each other.

(2) *Reports.* Each producer or consumer, who is a part of a company, must notify the Pulp Allocation Office of the War Production Board, Ref: M-93, in writing, as soon as he knows or has reason to believe that he will, for any reason, despite observance of paragraphs (b) and (c) of this direction.

(i) Be unable, during any calendar quarter, to complete all deliveries which he has been directed on Form WPB-699 and by telegram and letter to make, during that quarter, to unaffiliated consumers (i. e. those who are not part of the same company as he is) or

(ii) Be unable, during any calendar quarter, to use for the production of items listed in paragraph (d), an amount of wood pulp at least equal to the amount which he has been authorized on Form WPB-2973 and by telegram and letter to use for that purpose during that quarter.

(3) *Action which may be taken by the War Production Board.* Under the circumstances described in subparagraph (2) of this paragraph (e) the War Production Board may

adjust previously issued authorizations to deliver or to accept or use wood pulp on a company-wide basis so as to partially or completely compensate for any delivery or consumption deficit reported by any single producer or consumer in the company.

Chapter XI—Office of Price Administration

PART 1438—NONMETALLIC MINERALS

[MPR 347, Amdt. 6]

MICA

A statement of the considerations involved in the issuance of this Amendment, issued simultaneously herewith, has been filed with the Division of the Federal Register.

Maximum Price Regulation No. 347 is amended in the following respects:

1. Section 2 is amended to read as follows:

Sec. 2 *Maximum prices for ground mica and mica schist, water-washed mica, and micronized mica.*—(a) *Sales or deliveries of grades of ground mica and mica schist, water-washed mica and micronized mica sold or offered for sale by the seller during March 1942—*(1) *Maximum prices except as provided in paragraph (a) (2) of this section.* (i) Except as provided in paragraph (a) (2) of this section, the maximum prices for such grades of mica shall be \$10.00 a ton or ½ cent a pound above the prices at which the seller made the greatest number of deliveries of the same grades during March 1942 to purchasers of the same class.

¹ 8 F.R. 3530, 6181, 8275, 11871; 10 F.R. 43.

(ii) If no delivery of a particular grade of such mica was made by a seller during March 1942 to a particular class of purchasers, his maximum price for that grade to that class of purchasers shall be \$10.00 a ton or $\frac{1}{2}$ cent a pound above the price at which he made the greatest number of offers to deliver the same grade in March 1942 to purchasers of the same class.

(2) *Sales or deliveries of water-ground mica by David T. Vance and the Newdale Mica Company.* David T. Vance, Plummer, North Carolina, and the Newdale Mica Company, Erwin, Tennessee, may sell and deliver, and any person may buy or receive from David T. Vance or the Newdale Mica Company, water-ground mica at prices not in excess of \$15.00 per ton above the prices at which such seller made the greatest number of deliveries of the same grade of mica during March, 1942, to purchasers of the same class.

(b) *All other sales or deliveries of ground mica and mica schist, water-washed mica, and micronized mica.* Whenever a seller is unable to determine his maximum price or prices under paragraph (a) of this Section because he did not sell or offer to sell a particular grade of mica during March 1942, or because he did not sell to the same class of purchasers during March 1942, he shall determine the net price or prices at which he expects to sell his product and shall then file such net price or prices with the Office of Price Administration for approval as his maximum price or prices. Such proposed selling price or prices shall be filed with the Office of Price Administration, Second and D Streets, S.W., Washington 25, D. C., within 15 days after the first sale made on or after March 26, 1943.

When filing such prices with the Office of Price Administration, the seller shall set forth, in addition to the net prices, his list prices, and all discounts, allowances, and differentials for all classes of buyers, a description and identification of the commodity, including the mesh size and grade or quality, a statement of facts differentiating such commodity from the other commodities sold by the seller, a statement showing how the proposed price was determined, and a description of the use or uses for which the commodity is to be produced.

Pending action by the Office of Price Administration on prices submitted for approval under this paragraph (b), any such seller may sell, deliver, exchange, or offer to sell, deliver, or exchange, any person may buy, offer to buy or receive from such seller any such commodity at the price submitted for approval. If, however, the price submitted is disapproved, the selling price shall be revised downward to the maximum price which shall be approved, and any payment made in excess of the price so approved may be required to be refunded to the buyer within fifteen days after the date of the written instrument informing the seller of such revision: *Provided*, That the price submitted by the seller shall be deemed to be approved unless the Office of Price Administration specifically disapproves such price within fifteen days

from the date on which the receipt of the request for approval is acknowledged by the Office of Price Administration, or, if further information is requested from the seller within such fifteen-day period, then within fifteen days from the date on which the receipt of such information is acknowledged by this office.

2. Section 2a (a) is amended by substituting "\$35.00" for "\$30.00" in the sentence following the specifications.

This amendment shall become effective May 28, 1945.

Issued this 22d day of May 1945.

Chapter XVIII—Office of Economic Stabilization

[Directive 48]

PART 4003—SUPPORT PRICES; SUBSIDIES LIVESTOCK SLAUGHTER PAYMENTS

Pursuant to the authority vested in me by the act of October 2, 1942, entitled "An Act to Amend the Emergency Price Control Act of 1942, to Aid in Preventing Inflation, and for Other Purposes," and by Executive Order No. 9250 of October 3, 1942; and Executive Order No. 9328 of April 8, 1943; *It is ordered*:

SECTION 1. This directive is designed to implement the stabilization and production programs with respect to livestock, as instituted and carried forward by the following directives of the Economic Stabilization Director: The directive on Livestock Slaughter Payments, issued October 26, 1943; Directive No. 28, Control of Prices of Live Cattle and Calves, issued January 10, 1943; Directive No. 38, as amended, Livestock Slaughter Payments, issued March 21, 1945; and Directive No. 41, Livestock Slaughter Payments, issued April 23, 1945. Those directives are revoked insofar as they are inconsistent with this directive, and remain in effect in all other particulars.

SEC. 2. Defense Supplies Corporation is directed to pay to slaughterers 1.70 cents per pound as the subsidy rate for hogs and pigs slaughtered on and after April 1, 1945. The Administrator of the Office of Price Administration is directed to continue its study of price ceilings for pork and pork products and to submit recommendations to the Economic Stabilization Director for the adjustment of the subsidy rate for hogs and pigs, including recommendations for withdrawal of subsidy as hog and pig prices decline; but such recommendations shall not provide that the adjustment be made retroactively.

SEC. 3. Defense Supplies Corporation is directed to pay the following rates by grades for cattle slaughtered on and after June 4, 1945:

(a) (Except on cattle whose cost is not required to be reported) by persons eligible or ineligible for extra payments under paragraph 5 of the Directive of October 26, 1943:

	Cents a pound
AA or Choice.....	3.00
A or Good.....	2.95
B, Commercial or Medium.....	1.90
C, Utility or Common.....	1.25
D, Cutter and Canner.....	1.25
Bulls of Cutter and Canner Grade.....	1.25

(b) If the cattle are not graded by a federal grader of the United States Department of Agriculture, the total amount of the claim (before deductions on account of cost of cattle) shall not exceed 1.90 cents per pound on the total live weight.

SEC. 4. Defense Supplies Corporation is directed to reduce the subsidy payment to slaughterers eligible for extra payments under paragraph 5 of the Directive of October 26, 1943, from 0.8 cent per pound to 0.4 cent per pound on cattle slaughtered on and after June 4, 1945.

SEC. 5. Defense Supplies Corporation is directed to deduct from each claim reporting cost of cattle, four-fifths of the dollar amount by which the total cost of cattle is below the maximum permissible cost, as presently computed. This deduction shall not exceed four-fifths of the difference between the maximum and minimum permissible costs. In no event shall this deduction reduce the applicant's claim below the following rates by grades:

	Cents a pound
AA or Choice.....	1.80
A or Good.....	1.75
B, Commercial or Medium.....	0.7
C, Utility or Common.....	0.25
D, Cutter and Canner.....	0.25
Bulls of Cutter and Canner Grade.....	0.25

The deduction specified in this section 5 shall be in addition to that provided in paragraph 3 of the Directive of October 26, 1943.

SEC. 6. The Administrator of the Office of Price Administration is directed to make an immediate determination of whether any increased subsidy is needed on cattle whose cost is not required to be reported to Defense Supplies Corporation and to make recommendations with respect thereto to the Economic Stabilization Director. Any such recommendations shall include a program for withdrawal of subsidy on such cattle as cattle prices in general fall below the maximum permissible levels.

This directive shall become effective May 21, 1945.

Issued this 21st day of May 1945.

Director.
